Serbs Check the Bulgarian Advance on Part of the Macedonian Front.

ARMY MAY ESCAPE TRAP

Berlin Admits That Austrians

May Not Be Able to Capture It.

LONDON, Nov. 9 .- The central powers and their Bulgarian ally now control about two-thirds of Serbia, and within a few weeks probably will have the main Serbian railroad, running through Reigrade and Nish, in ful operation. This will give them two routes to Constantinople, as communication by way of the Danube to Bulgaria is already open.

Thus far the plans of the central powers in the Balkans have worked like well-oiled machinery, but the latest news from Macedonia indicates the initiative is not to be left entirely to the invaders much longer. Reports come by way of Paris that the Anglo-French forces are making their presence fest against the Bulgarians. The entente allies claim their operations with success, notwithstanding the

inflicting heavy losses on them. If British steamship Woodfield, reported sues held firm, but market was irregu-

A Bulgarian attack against Krivoartillery is reported to have been repied the village of Komental.

On the Anglo-French front northwest of Guevgell the advance of the is no confirmation here of the report from German sources that the Bulgarians have renewed their attacks in the regions of Guevgeli and Perleps [Prilep].

BERLIN (via Sayville wireless) Nov. 9 .- Seven thousand Serbs have been captured by the Austro-Germans thus far in the Balkan cam-

tions south of Kraljevo, districts west of their principal area of operations in the Morava Valley.

A Serbian band which still retained a foothold in the vicinity of the Orient raliroad was dislodged by storm from Gyunis heights, on the left bank of the southern Morava.

Gen. Boyadyeff's Bulgarian main army is northwest of Alexsina, twen-ty miles northwest of Nish. Detach-ments of his men have occupied Les-kovac, near Alexsinac, and others are
